Top 10 ways to prevent Identity Theft

1. **Don't give out your social security number.**
2. **Request a copy of your credit report on an annual basis.**
3. **Don't ignore it when bills seem to be missing.**
4. **Buy a small safe or lock box.**
5. **Purchase a shredder.**
6. **Don't give out your account numbers, addresses or other personal information over the phone.**
7. **Safeguard your computer(s) with Anti Virus, Anti Spyware, and Anti Identity Theft software.**
8. **Ignore internet links in emails to protect from phishing scams.**
9. **Don't ignore letters concerning purchases you did not make.**
10. **Notify the correct authorities immediately if you suspect you have been a victim of identity theft.**
